5. Once completed, the student will see this:

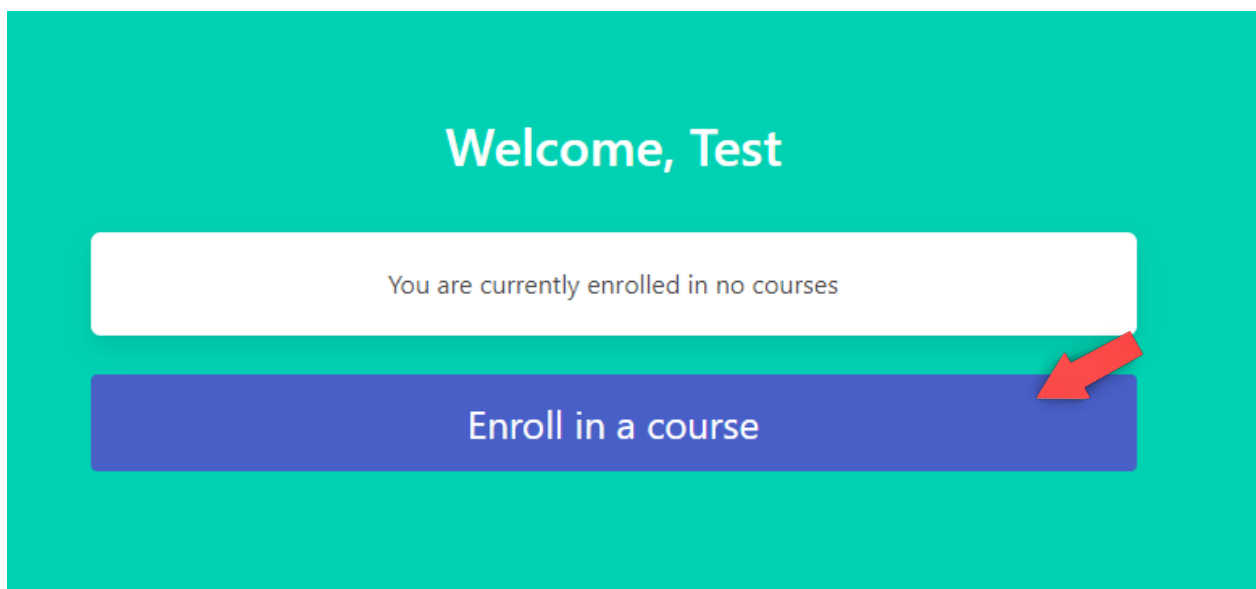

The screenshot shows a login interface with a teal background. At the top, the word "Login" is displayed in white. Below it, a red notification box contains the text "Successfully registered ttester45". Underneath the notification are two light blue input fields: the first contains the text "ttester" and the second contains a series of dots representing a password. Below the password field is a checkbox labeled "Remember me". At the bottom of the form is a blue button labeled "Login", which is pointed to by a red arrow.

6. Once a student has clicked submit and is registered, he or she can click log in.

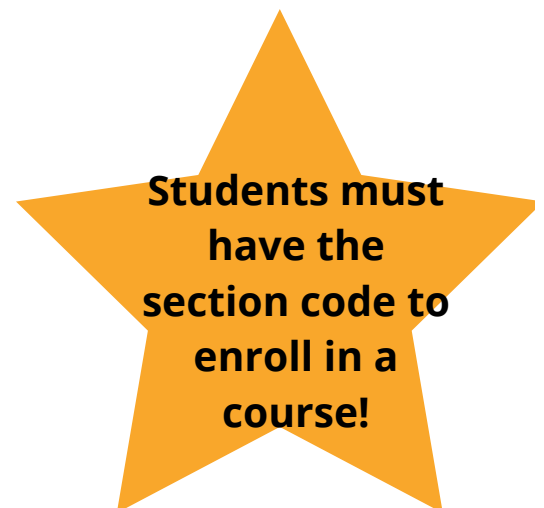

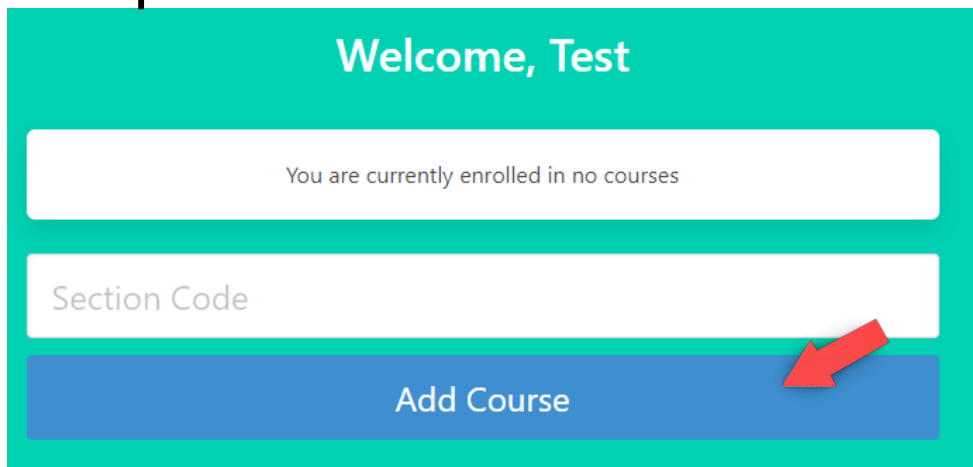

You may have to refresh your browser cache in some cases. Here are the directions: <https://www.refreshyourcache.com/en/home/>
